WebProsperity is offering internet marketers the tools they need to succeed in all their endeavors. Best of all, there is no purchase necessary; just use the products! The system includes a suite of six turnkey web tools that help build a sales team, communicate, and keep organized. They include an address book, email database, and audio-video conferences (Meeting, Contact, Media, Finder, Address Book, Calendar). Some of the products are detailed below:

- > WebProsperity Meeting tool: connect with people around the country and around the world with a sophisticated but simple system
- > WebProsperity Contact tool: a robust and effective email marketing platform
- > WebProsperity Media tool: add audio, video and pictures to your website
- > WebProsperity Marketing Website: helps market and grow your business around the world

WebProsperity provides a freedom compensation plan in three steps.

Step one: Paysetter bonus gives 20% commissions each month for every personally enrolled member.

Only five personally enrolled would cover the membership costs.

Step two: A 2x15 matrix residual income which includes re-entry. There is an unlimited earnings potential here because new levels are added for platinum members.

Step three: Platinum leadership and development bonuses provide a generous compensation model outside of the matrix levels. Joining the pre-launch now secures a top position that can place you in this step at launch!
